Dear 11,

Fire Safety Audit

Shop Unit A13 of 14

To better maintain the high standard of fire equipment and appliances and enhance fire safety awareness of the frontline staff for all food & beverage shops, we write to inform you that the Management Office is going to conduct the regular Fire Safety Audit for your lease premise under the following schedule.

Date: 16

Duration : 17 (Subject to the actual schedule)

Prior to commencement of the said fire safety audit, our Management Staff will arrange joint site meeting to explain and practice the process of such fire safety audit with your Shop in-charge and other frontline staff. Besides, you are requested to prepare and keep the valid certificates of relevant statutory regulation required in your leased premise including but not limited to FS251, WR1 / WR2, Ventilation Certificate and annual inspection report of electrical installation by a registered electrical contractor for checking during the audit.

Your immediate coordination on this matter will be highly appreciated.

Should you have any further query, you are welcome to reach 18 at 19.

Yours sincerely,

For 15
